

WBF Wall Mounted Cabinet

The Lamatel WBF Wall Mounted Cabinet is a durable and space-efficient solution designed for housing and protecting networking, telecom, and IT equipment. Built with high-quality materials, it ensures secure organization of devices while maintaining easy accessibility for installation and maintenance. Its wall-mounted design saves floor space, making it ideal for offices, data centers, and structured cabling environments.

Key Features

- Sturdy steel construction with powder-coated finish for durability and corrosion resistance
- Space-saving wall-mounted design ideal for small to medium network setups
- Lockable tempered glass front door for secure and visible equipment access
- Removable side panels for easy installation and maintenance
